Public Comment: Larry Baron, Bette Houtchens, Steve Houtchens, and Tricia Jordan ceded their time to Lisa Deegan.

Lisa Deegan spoke on behalf of 300+ residents who are in favor of the off-leash hours at Hillview Baseball Field. She highlighted the group's commitment to safety, asking for a

containment fence, collaboration with neighbors, clear rules and regulations, and consistent enforcement.

Anastasia Ierides ceded her time to Mehmet Deveci.

Mehmet Deveci spoke in support of the off-leash hours at Hillview Baseball Field. He addressed the dry patches in the field and explained his interpretation of the success of the park.

Zahra Ardahali spoke against the off-leash hours at Hillview Baseball Field. She recommended that the Commission go back to exploring a dedicated dog park primarily because of safety concerns with off-leash hours.

Wes (no last name given) spoke in support of the off-leash hours at Hillview Baseball Field. He echoed previous requests for a containment fence and suggested finding another location.

Gene Feroglia spoke against the off-leash hours at Hillview Baseball Field, highlighting several groups that he feels have been displaced by the off-leash hours. He believes a permanent, dedicated dog park at Hillview (near the Soccer Field) would better serve the Community.

Frank Martin spoke in support of the off-leash hours at Hillview Baseball Field, explaining the shortfalls of the Subcommittee's Report. He stated that he believes the contingency against the off-leash hours pilot program is small but vocal.

Marta Tkalcovic spoke in support of the off-leash hours at Hillview Baseball Field. She explained that she had not seen significant safety concerns during her attendance and expressed disbelief that a dog park had not already been provided to the Community.

Alon Amit spoke in support of the off-leash hours at Hillview Baseball Field, echoing the safety accommodations outlined by speaker Lisa Deegan.

Nancy (no last name given) spoke against the off-leash hours at Hillview Baseball Field, citing several specific examples of poor dog/dog-owner behavior during a recent trip to/near the park.
